LTE
starts at
\$4
per
month

Tracks is Cuddeback's newest LTE trail camera. And its not a stripped down foreign designed import, Tracks is a full featured LTE trail camera with fast trigger speed and exceptional image quality. Tracks and accompanying mobile app are 100% USA designed, owned and controlled by Cuddeback.

- Dual paddle antennas for coverage in fringe areas.
- Full user interface for setup in field or remotely with smartphone or desktop computer.
- Dual SIM cards installed for Verizon or AT&T carriers.
- Works with all cell phones regardless of your carrier.
- Mobile app developed by Cuddeback so your images and data always reside on USA servers.
- HD image sensor for excellent image quality.
- Available in no-glow Black Flash® and low-glow IR.

DATA PLANS

- Pay as you go. \$4 per month paid annually plus \$10 per 1000 images that never expire, so you always get what you pay for and only pay for what you use.
- \$5 per month for 250 images or \$50 annually.
- \$8 per month for 500 monthly images or \$80 annually.
- \$13 per month for unlimited monthly images or \$130 annually.
