

LEUPOLD

NEVER MISS AGAIN

CDS BALLISTIC DIALS

Leupold's Custom Dial System® (CDS®) helps you easily compensate for bullet drop and make ultra-quick adjustments on the fly. We'll customize your scope's elevation dial to match your exact load, muzzle velocity, and environmental conditions for unprecedented precision.

Every CDS model scope is eligible for one free custom dial. Enter the serial number of the scope and your ballistics at the below URL to redeem your free dial. Additional custom dials can be purchased for \$80.00 each. **Please allow 4-6 weeks for delivery.**
